The Cancelled Check

To the Public:
In the course of business a bill is sometimes presented for collection when it has already been paid.

This may have happened to you as it has to the many. Such an occurrence is annoying and requires explanation and sometimes loss of money.

It is a good idea to get a bill before you pay it, and to get a bill before you pay it, and to get a bill before you pay it.

NEGRO FEUD RESULTS IN A MURDER

PREACHER IS ASSASSINATED
IN DOORWAY OF HIS CHURCH

UNKNOWN MURDERER EMPTIES
LOAD OF BUCKSHOT INTO MIN-
ISTER'S BACK AND BLACKS
ARE MUCH EXCITED.

MEMPHIS, Dec. 13.—The bitter
fued in the negro Tabernacle Bap-
tist church here came to a climax
shortly after midnight, when Rev. E.
J. Williams was assassinated in the
doorway of the tabernacle after a
church entertainment.

The unknown murderer emptied a
load of buckshot into the preacher's
back and he died shortly afterward.

The negroes of the city are in a
frenzy of excitement today as a re-
sult of the climax to the feud, which
has been of long standing.

SPARKS SHOW IS GOOD ONE
PLEASES DAYTONA AUDIENCE

TWO CREDITABLE PERFOR-
MANCES GIVEN IN THIS CITY
YESTERDAY AND THE CIRCUS
MOVES ON TO ST. AUGUSTINE.

The John Sparks show gave two
very creditable performances in the
city yesterday on the Volusia avenue
show grounds. The afternoon
house was made up to a great ex-
tent of young America but at night
a far-sized audience of adults was
seated when the performance was
ready to commence in spite of the
counter attractions and the inclem-
ent weather. It is necessary for cir-
cuses to make Daytona in the early
part of the season because of a regu-
lation of the F. E. C. railway by
which they will not carry a show
requiring a special movement be-
tween Dec. 15 and April 15, owing to
the heavy tourist traffic between
those dates.

The Sparks show had not been
here in a number of years but it
lived up to its reputation in every
way, and no show has a better name
in this section of the south than this
one, which is considerably enlarged
in recent seasons. There was some-
thing in the performance to fill ev-
ery circus tradition, and though a
one ring show, Bert Mayo, the eque-
strian director, makes the performance
move off with the smoothness of
any larger organization. Among the
acts of special note were the Pettit
family, living statue artists, acrobats
and comedy-bar performers; Mrs.
Bartlett, aerialist; Mrs. Cahill, aerial-
ist and iron jaw performer; the Mi-
suno troupe of Japanese entertainers,
and the Crandall family, riders and
society acrobats, their act
with their irresistible dog "Trickie"
easily being the features of a
program that was complete and well
balanced, every act receiving a
liberal hand from the audience. The
Sparks show is one that can always
"come back" and the hope is that
it some day will, under better weath-
er conditions. From here the show
went to St. Augustine, and Saturday
at Bronson closes the 1911 season to
go into winter quarters at Salisbury,
North Carolina.

Manager Charles Sparks and sev-
eral others of the organization were
visitors at the Elks' home for a short
while last evening and were sur-
prised at the magnitude and mag-
nificence of the home in a city of this
size.

ROCKEFELLER TO SUCCEED BILL TAFT

MOVEMENT IN KANSAS COUNTY
TO NAME HIM FOR PRESIDENT

PETITION CIRCULATED AND
FREELY SIGNED SETS FORTH
HE HAS SHOWN BUSINESS
ABILITY FOR OFFICE.

VERMILION, Kan., Dec. 13.—A
movement has been started in Mar-
shall county, this state, to induce
John D. Rockefeller to become a can-
didate for president of the United
States.

A large number of voters in this
section have signed the petition,
which is being freely circulated, and
the plan is to extend the movement
to other states.

The petition sets forth that Mr.
Rockefeller is a man of "recognized
business ability and has shown by
his capability as manager of or-
ganized business enterprises that he
is a better fitted to give the govern-
ment a business administration than
political theorists.

NEW YORK, Dec. 13.—The record
breaking speed of the riders in the
six-days race at Madison Square
Garden was brought to a halt this
morning when Root & Bedell, De-
Mara & Wells crashed into each
other and were piled up in a disas-
trous spill. Root and Bedell were
painfully injured and retired from
the contest when a physician de-
clared it would be dangerous for
them to continue. Their team mates
formed another team and went into
the race. The riders are now far be-
hind the standing records.

DAILY STOCKS REPORT.

NEW YORK, Dec. 13.—Stocks op-
ened dull and inactive at a shade
lower. Cotton opened steady and un-
changed to two lower. When a pri-
vate firm estimated the crop at 15-
500,000 to 16,000,000 bales it caused
some selling, which was quickly ab-
sorbed and the market rallied
sharply to about four points above
yesterday's closing. January was
quoted at \$8.60 and May at \$8.79.

WHEAT SLIGHTLY HIGHER
PROVISIONS ALSO JUMP.
CHICAGO, Dec. 13.—Wheat op-
ened steady at a quarter to three-
eighths higher, December being quot-
ed at \$9.7½. Provisions were a shade
higher with May pork quoted at
\$15.90, ribs \$8.42, lard \$8.97. Hogs
were a shade higher with cattle ten
to 20 lower.

MERCHANTS BANK STRUCTURE
ONE OF FINEST IN THE STATE

BUSINESS OF LOCAL INSTITU-
TION SHOWS VERY SUBSTAN-
TIAL GROWTH DURING THE
PAST YEAR.

For the purpose of inspecting the new
home of the Merchants Bank in this city
several of the officers of the in-
stitution came over from De-
Land Tuesday and spent the
afternoon here, making a careful
inspection of the building, which is
now completed, with the exception
of a few minor details.

Among the men in the party who
were here from the county seat were A.
D. McBride, president, J. B. Conrad,
vice-president, and S. A. Wood, a mem-
ber of the building committee of the Merchants
Bank and cashier of the Volusia
County Bank, one of the best
known financial institutions in
Florida.

The New Mer-
chants Bank building here is
a model for con-
venience and neat
arrangement and
is a credit to Daytona, Volusia county
and the state of Florida. The officers
and directors of the institution are well
pleased with the
structure as com-
pleted. This was
the first visit of
Mr. McBride to
Daytona since
the new building
has been erected.

At a meeting of
the directors held
Tuesday after-
noon the business
for the past year
was carefully ex-
amined and found
to show a very
remarkable and
substantial growth, the deposits having
increased a full one-fourth during the

past twelve months of business.

The Merchants
Bank here was
opened June 1,
1896, under the
charter of the
Volusia County
Bank, which has
been doing busi-
ness in the county
for more than a
quarter of a cen-
tury. It was the
fourth state bank
organized under
the laws of the
state of Florida,
and has shown a
substantial growth
from the first. It is one of the estab-
lished depositories for the state.

The last annual
report of Hon. A.
C. Croom, com-
ptroller for the
state of Florida,
showed this bank
to have larger to-
tal assets than
any one of the
135 state banks
doing business in
this state. The
capital stock of
the institution is
\$100,000.00, and
the surplus and
undivided profits
over \$70,000.00.

The business was started years ago when
Volusia county was sparsely settled and
has been a potent factor in the devel-
opment, not only of Daytona and De-
Land but of Volusia county at large.

The two bank buildings of the Volusia
County Bank and the Merchants Bank of
Daytona are the finest in the state of
Florida outside the cities of Jacksonville,
Pensacola and Tampa, which have
larger banks and larger buildings, but
none finer or more convenient and hand-
some.

Mr. Conrad and Mr. Wood are fre-
quent visitors to Daytona and are well
known among the local and winter resi-
dents here. Mr. McBride, however, has
not been in Daytona for some time, and
he was much interested in noting the
remarkable growth and prosperity of
the city and surroundings, and is very
enthusiastic over the future prospects
of Volusia county.

President Waite are as follows:

CHICAGO IS TRYING TO LAND
BOTH BIG PARTY CONVENTIONS

MAYOR HARRISON, WHO WOULD
LIKE TO BE PRESIDENT, HEADS
MOVEMENT TO BRING THE
DEMOCRATS.

CHICAGO, Dec. 13.—Having cap-
tured the big republican national con-
vention, which is to be held in this
city in June, Chicago is now pre-
paring to make an even more vigor-
ous fight to land the national gath-
ering of democrats. Mayor Harrison,
who is mentioned as a possible candi-
date of the democratic party for
president, heads the movement to
bring the national convention to this
city.

Postmaster W. C. Smith would like
to see the Christmas shopping
completed in good season in order
to avoid as much as possible the
congestion likely to occur in the
postoffice at the holiday time
through the fact that many if not
most people leave their Christmas
buying until within a few days of
the holiday and then flood the post-
office with gifts for relatives and
friends in the north, when much of
this matter could just as well be
mailed a few days earlier if the shop-
ping were done that much sooner
and stand a better chance of reach-
ing its destination at the proper
time.

THE MAN ON THE STREET

ANOTHER FORTUNATE ESCAPE FROM INJURY BY AUTOMOBILE
W. R. Baker, of Xenia, Ohio, who is spending the winter at his cottage on the river front at Blake, had a narrow escape from death or serious injury in this city Tuesday afternoon by being run down by an automobile. The accident occurred almost in front of the Daily News office at a little after 4:00 o'clock. Mr. Baker had been making some purchases at the Conrad grocery company store and was crossing Beach street to his automobile which was standing on the east side of the street. Another car, containing a couple of ladies and two men was coming south, but Mr. Baker did not see it and walked directly in front of it. The driver tried to avoid hitting Mr. Baker by cramping the car hard to the right and Mr. Baker himself awakened to his danger tried to jump to one side. The fender of the car struck him, however, and he fell between the forward and rear wheels. Bystanders expected to see him crushed, but the driver of the car had it well in hand and Mr. Baker retained his presence of mind and did what he could to save himself. The rear wheel ran upon his arm and temporarily pinned him down, but persons near at hand went to his assistance and he was quickly released and taken into the Rexall drug store where the mud and dirt was brushed from his face and clothing and it was found that he had received no harm beyond the shaking up and a few scratches and bruises. No particular blame seems to have attached to the driver of the car.
